RICH FLEX ELASTOMERIC

100% Acrylic, Waterproof Vertical Wall Coating

#250 - Signature Series Rich Flex 100% Acrylic Elastomeric Masonry Waterproof Coating is a high build, 100% acrylic coating that is specially formulated to provide a waterproof finish on cementitious substrates. Its distinct formulation provides maximum protection from wind driven rains up to 100 miles per hour. It bridges hairline cracking, and its permeable membrane allows moisture vapors from within the building to evaporate, or pass through it. It provides excellent resistance to the elements, outstanding flexibility, and excellent durability. It has excellent color retention, resists sagging, is mildew resistant. **Mildew Resistant** – This paint contains agents that inhibit the growth of mildew on the surface of the paint film.
