Coating

BARE-FOOT FRIENDLY, PROVEN TOUGH
Blended for exceptional durability

- Tough, long lasting protection
- Durable and weather resistant
- 100% acrylic waterborne formula
- Scuff resistant
- Smooth final appearance
- Easy water clean up

Ideal for use on pool decks, patios and walkways. Its smooth low sheen finish resists fading and chalking in full outdoor exposures. Maintains a long-lasting beautiful look.

Formulated for use on interior or exterior previously painted, stained, and bare concrete and wood surfaces. Resists chipping, peeling, cracking and mildew.
