DECKGUARD

4500 SERIES  
Driveway &  
Floor Coating

LOOKS BETTER, LASTS LONGER  
Advanced stay-clean formula

- 100% Acrylic Waterborne Formula
- Hard, Durable & Wear Resistant
- Resists Chipping & Peeling
- Resists Fading & Chalking

Best-in-class performance for areas where you walk, drive, work and relax.

Designed for use on driveways, floors, car ports, pool decks, patios, walkways and other concrete, brick or stone surfaces.

This high performance waterborne acrylic coating keeps its freshly painted look longer. Resists hot tire pick-up, tire marking and common household chemicals.

Revive concrete and brick paver surfaces with this durable coating. Great for interior and exterior use.

*Proudly Manufactured in the USA since 1954*
