Quality

46 THOR
Universal Waterborne
Acrylic Primer

PRIME, SEAL, KILL STAINS AND STICK LIKE CRAZY
Durability and good looks start with a great primer.

- Interior / Exterior
- Stain Blocking
- Adhesion Promoter
- All Acrylic
- Mildew Resistant

This workhorse formula can be used for virtually any architectural surface, inside and outside. It meets the needs of professional painters and do-it-yourselfers.

It is easy to use, dries quickly, sands well when used on doors and trim, and provides good enamel holdout.

May be used as a stain blocking primer for common surface stains.

Bonds to aged oil base paint and other glossy surfaces.

Finishes look so much better over THOR.
