Anti-Slip
Coating

StepGuard

GRIP MORE. SLIP LESS

Add traction and toughness to stairs, ramps and walkways.

- Smooth Easy Application
- Uniform Appearance
- 100% Acrylic Waterborne Formula
- Interior / Exterior

Walk confidently on stairways, ramps, patios, pool decks, catwalks, and landing areas with the enhanced anti-slip finish you get from Richard's Step Guard.

Ideal for enhancing safety in high traffic public areas, such as schools, shopping malls, office buildings, hospitals, nursing homes, assisted living facilities, and sports surfaces. Also a great choice for use at home.

This weather resistant acrylic can be easily applied by anyone and cleans up with warm soapy water.

Available in ready-mixed and custom colors.
