BONDCRETE

500 SERIES
Silicone Acrylic
Concrete Stain

RICH, FLAWLESS & FABULOUS COLOR!
The finishing touch for your patio, pool deck, walkway and more.

- Superior Color Retention
- Pleasing Low Sheen
- Excellent Wear
- Waterproofs & Seals

A durable masonry waterproofing finish designed to provide lasting protection for pavers, stone, brick, concrete, block, and stucco surfaces.

The proven color-fast finish of this silicone acrylic stain is an ideal choice for patios, walkways, pool decks, driveways, garage floors, and car ports. For exterior use on both horizontal and vertical surfaces.

Available in a variety of attractive ready-mixed colors, custom colors, and a clear gloss finish.
