7300/7400
Low Temp Paint
and Primer in One

GREAT FIRST IMPRESSIONS START WITH YOUR SIGNATURE
Enduring quality starts with our Signature PLUS

#7300 Lo-Lustre
#7400 Satin

- Paint and Primer in One
- Extend Your Exterior Painting Season
- Apply in Temperatures as Low as 35 F
- Stands up in All Climates and Weather Extremes
- Interior / Exterior Use

This premium quality self-priming acrylic eliminates the need for using a separate primer on many surfaces. A perfect solution for drywall, plaster, stucco, concrete, wood, HARDIPLANK, hardboard and other surfaces, inside and out.

The superior durability and long-lasting color retention of this finish keeps it looking better longer in all climates and weather extremes.

It is easy to apply, provides excellent one coat coverage, and a durable finish that resists dirt, streaking, fading and mildew.
